

CHRISTOPHER KIM

(469) 386-8635
christopherkim.cjk@gmail.com

OBJECTIVE

Seeking careers related to computer software, IT, and technology.

EDUCATION

Western Governors University 01/2019 - Present
Bachelor of Science, Computer Science

The University of Texas at Arlington 01/2016 – 12/2018
Completed 77 credits towards Bachelor of Science in Nursing

WORK EXPERIENCE

KPMG Data Analytics Virtual Internship: Summer 2019
Transforming large amounts of data into usable information as part of a business plan. Data quality assessments, data insights, and presentation were performed in this internship. This gave me valuable insight on the operations of a large management and consultancy firm.

Breakers BBQ (Carrollton): Server 2017 - 2018
Provided for multiple guests simultaneously while being attentive to each guest's needs to give a comfortable and excellent experience.

Kumon (Plano): Tutor 2013 – 2014
Tutored students in mathematics, reading, and writing.

CERTIFICATION

ITIL Foundation Certificate in IT Service Management 05/2019
CompTIA Project+ 04/2019
CIW Site Development Associate 03/2019

PROJECT

Texas Healthcare Challenge Hackathon (Team Leader) 08/2019
Developed a business model of an automated diagnostic program that addresses the issue of healthcare quality. Medical professionals can incorporate machine learning, data analytics, and AI in their practice with the simple and easy to use interface.

SKILLS

Python, Java, C/C++, SQL, JavaScript, HTML, CSS
